

Individual and Family Discount Dental Plans

Call 808-625-3782 For More Information

Saving Money On Your Smile Has Never Been So Easy!

We proudly offer you a unique opportunity to save money on quality dental care. Save on your dental care needs with one of our individual or family discount dental plans, an affordable and easy-to-use alternative to costly dental insurance.

Enjoy the freedom to choose from an extensive selection of discount dental plans with significant savings on most dental procedures. Plus, with the most dentists in combined networks anywhere, finding one near you is easy!

Discover the advantages of discount dental plans:

- Substantial savings of 10% to 60% on most dental procedures
- An impressive selection of 30+ national and regional plans with over 100,000+ participating providers in combined networks
- Select plans provide discounts on dental specialties, including orthodontics, root canals, crowns, oral surgery, cosmetic dentistry and more
- Additional benefits such as savings on prescriptions, vision and chiropractic care offered by select plans
- Free check-ups, cleanings and x-rays with select plans
- No tedious paperwork hassles, health restrictions or annual limits
- Helpful, friendly customer service available 24 hours a day
- Members receive 3 additional months FREE!

Individual discount dental plans start at \$79.95 per year (15 months).
Family discount dental plans start at \$129.95 per year (15 months).
